Education

- 2016-2017 **Master**, *Université de Montpellier - Faculté des Sciences*, Montpellier, France.
Mathematical analysis, Algebra
- 2013-2016 **Master**, *Norges Teknisk-Naturvitenskapelige Universitet*, Trondheim.
Industrial Mathematics
- 2009-2012 **High School**, *Strinda videregående skole*, Trondheim.
Science and mathematics

Experience

Work Experience

- Summer 2016 **Software developer**, *DIPS ASA*, Trondheim.
Summer intern at DIPS, a firm who specializes in developing computer systems for the health sector. Worked with technologies such as C#, WPF, SQL.
- 2012-2016 **Janitor**, *Sirkus Shopping*, Trondheim.
Worked as a janitor and an assistant at a shopping centre.
- Spring 2016 **Student Assistant**, *Norges Teknisk-Naturvitenskapelige Universitet*, Trondheim.
Semester job as a teaching assistant in a Linear Algebra course
- Autumn 2014 **Student Assistant**, *Norges Teknisk-Naturvitenskapelige Universitet*, Trondheim.
Semester job as a teaching assistant in an introductory course to programming.
- Summer 2014 **Technical Design**, *St. Olav's Hospital - Technical Department*, Trondheim.
Summer intern at St. Olavs Hospital, where I worked with modelling St. Olav's property using Computer-aided design.
- Autumn 2012 **Home health care**, *Trondheim Kommune*, Trondheim.
Worked as a caregiver for the elderly and sick at Strindheim Home health care.

Volunteer work

- 2014-2015 **Human Resources**, *UKA*, Trondheim.
I was responsible for all the 65 students in my group during the student festival UKA-15. My responsibilities were to make sure everyone in my group knew their assignments and when to do them. Also, that everyone in the group felt safe and included during work.
- Autumn 2014 **Student Organization**, *Nabla*, Trondheim.
I was part of a team that arranged the reception of the new students arriving at my field of study.
- Autumn 2013 **Cashier**, *UKA*, Trondheim.
I was part of a team that secured the flow of money during the student festival UKA-13.

Spring 2013 **Health care, *Arise and Shine Uganda*, Jinja.**

I worked with a group of trained health personnel in a small village in Eastern Uganda. I worked with children suffering from malnourishment, aswell as other diseases. I developed a system to keep track of the improvements, e.g. weight gain, circumference of arms and legs, of the children in the program. I also helped teach the inhabitants of this village about healthier nutrition.

Languages

Norwegian	Mother tongue
English	Fluent
French	Good knowledge
